Linda,

Please check the two **revised** attached letters for grammar. If OK please enter needed postal numbers, print letters with yellow concurrence pages & mailing labels, and then route (the old fashion way) for concurrences to myself, Amy, Lydia, & Mark prior to Ben's signature.

I will not be here next week either so Lydia can initial the yellow pages for me.

Please track the movement of these letters until they are signed by Ben and mailed NLT COB Tuesday (08/18).

Please make pdf copies of the signed letters along with supporting materials. Email the pdf copies to Amy so she can forward them to the PPR's attorney.

See you on Monday (08/24).
